	Subject: Stop Work Order  Declass Review by NGA.
	Gentlemen:
	This is to acknowledge receipt of Stop Work Order dated October 22, 1965. However, on closer review must state that the Stop Work Order on Printer No. 2 will increase the cost and delay the delivery on Printer No. 1. This increase in cost and delay in delivery occurred because the contract did not segregate the fund applicable to each printer. As mentioned in previous correspondence, the stopping of work on Printer No. 2 and subsequently the failure to fund the Increase In Scope for Printer No. 2 without funds.  Author had not segregate the fund applicable to each printer. As mentioned in previous correspondence, the stopping of work on Printer No. 2 and subsequently the failure to fund the Increase In Scope for Printer No. 2 without had not segregate the fund applicable to each printer. As mentioned in previous correspondence, the stopping of work on Printer No. 2 and subsequently the failure to fund the Increase In Scope for Printer No. 2 without had not segregate the fund applicable to each printer. As mentioned in previous correspondence, the stopping of work on Printer No. 2 and subsequently the stopping work world have had not subsequently the printer No. 2.
1	If the Increase In Scope for Printer No. 1 and No. 2 had been funded, no additional funds would have been requested been funded, no additional funds would have been requested by the stop work and the lack of funding, requires to complete Printer No. 1, and this is detailed by letter Rel: dated November 30, any more money 25) 1965.
	The Stop Work Order and the subsequent lack of funds also How? resulted in a slow down on Printer No. 1. Therefore, an additional time extension of one (1) month (total of three (3) months) will be required.
